

Scuba Class Changes

Please arrive no earlier than 10 minutes prior to your scheduled start time.

Your instructor will provide guidance on moving between the classroom, locker room and pool area.

Pass the Air/Air Sharing

We have modified how we teach sharing air. The important steps of the skill remain the same, however no one will put someone else's regulator in their mouth during training at Midwest Aquatics.

Bring Your Own Gear

Scuba students are required to bring their own mask, snorkel, fins, and boots. All of these items are included in our student packages. Additionally, we ask you to bring your own regulator mouthpiece.
